

**STAINSHIELD**

*50 years in stain & protection*

## **PRODUCT SPECIFICATION SHEET**

### **Tex-Guard Textile Protector (Water Based)**

Safe in the environment, non-toxic, biodegradable and non-allergenic, this ready to use high active protector is ideally suited to the stain & wear protection of carpets, rugs and furnishing fabrics plus aniline and semi-aniline leathers, faux leathers, nubuck and suede. Tex-Guard is fully air curing, long lasting and resilient to household cleaning

#### **Application**

Only apply to new or freshly cleaned items, free detergent residue. Apply only through approved spray units using T jets 8001.5 for carpets and 8001 for fabrics. Spray evenly from 10 to 12 inches away from surface areas at least 35psi. For 100% natural wool carpets or rugs mist over area with Tex-Guard prior to treatment to ensure adequate penetration of fibres
